## Help Now to Open the Co-op Summer 2012

---

Creekside co-op has just **one more step** to complete our financing  
And we have to do it **together**

---

Over \$3.5 million dollars in financing have been committed by Vantage Point Bank, The Reinvestment Fund, and the USDA to fund:

- Purchase of the old Ashbourne Market building
- Renovation into an efficient, full-service market and community center
- Equipment purchase
- Inventory purchase
- Employee hiring and training
- Working Capital and reserves

We need the final \$250,000 **from the community** by the **end of October!** Our lenders are **requiring this community commitment**, which represents **just 7%** of the cost of the project and is **far below** the 40% that a co-op's members typically provide.

### What you can do now:

- Come to any of several **Parlor Meetings** scheduled at area homes in the next few weeks - schedule at our website
- **Join** the co-op
- **Encourage** friends and neighbors to join  
email samples available at [www.creekside.coop](http://www.creekside.coop)  
**share this flyer** - print from our website
- Contribute **additional member equity**
- Participate in the **member loan program**

We can make this happen & now is the time
